

MANGOTSFIELD OUT OF SCHOOL CLUB

Website: www.mangotsfielddoosc.co.uk

Happy New Year to all you, we hope that you had a lovely Christmas!

Holiday Clubs

We will be sending out posters, updating our website and opening up the system to booking requests for the February half-term in the next few days.

MOOSC **Energy Club** at Lyde Green Primary will continue to focus on healthy lifestyle and fitness. Jake left MOOSC at the end of last year for pastures new, but we have big and exciting plans for Energy Club for 2020! Watch this space!

MOOSC **Holiday Club** at Emersons Green will continue to provide lots and lots of activities ranging from bouncy castles and bake off's to arts, crafts and games. Our theme for February half-term is Movie Week!

We have up to 40 places available per day for Emersons Green Holiday Club and 25 for Energy Club so booking early is advised for both school and full day sessions.

ClubsBuddy

Many thanks for everyone's patience with the launch of ClubsBuddy. As expected, we have experienced some teething problems but we are working closely with ClubsBuddy to flag issues and areas for improvement with their system as they arise - specifically with the app and date filtering - which have been taken onboard. We have been assured that throughout the first half of this year, a number of updates and releases will improve functionality.

From a business perspective, the implementation of the system has been revolutionary. We now have a full view of parent accounts and are slowing but confidently fixing historical issues

and queries which we appreciate has not been acceptable in the past. Your continued patience while our hard-working finance and admin teams work through these while also getting to grips with a new way of working is hugely appreciated and has not gone unnoticed so thank you.

OFSTED Inspection

As many of you are aware we had an OFSTED inspection at Lyde Green Primary School in December.

OFSTED have recently changed the way they mark the criteria in After School Clubs. It used to be as it currently is with Schools; that being Outstanding, Good, Needs Improvement or Inadequate however since September 2019, they now only determine whether a Club is either Met/ Not Met.

Our latest inspection has deemed us as "Met" (no requirements) and the Inspector was very impressed with all areas of how the club was running and assured us the report shows the outstanding provision we provide to the area of Lyde Green.

I would like to mention how proud I am with all the ofsted reports we have received and encourage all parents/ carers to read the report.
